

## St. Pierre & Miquelon (4 days)

Come with us to France for the weekend. A short flight brings you to the charming French Islands of Saint-Pierre and Miquelon. For almost 250 years, these islands have remained part of France and continue the European way of life today. Discover the mystery of Saint-Pierre and its role in the prohibition era as the island played host to colourful characters such as Al Capone. Watch for puffins during your cruise to Miquelon, visit Sailor's Island and explore the boutiques of St-Pierre. No trip to France would be complete without sampling such delicacies as chocolate, pastries, cheese - and of course- wine!

Come discover a unique culture, a rich and passionate history with scenery of a thousand colours where it feels good to live and relax in the fresh air. One "bonjour", a smile, an unexpected conversation at a street corner. The hospitality of the local will for sure allow unforgettable moments of sharing and conviviality.
